Notes: These notes are important and require your immediate attention.

Entitlement to attend and vote

1. Only those shareholders registered in the Company's register of members at:

- Close of business on Monday 5th September 2016 or,
- if this meeting is adjourned, at close of business on the day two days prior to the adjourned meeting,

shall be entitled to attend and vote at the meeting. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Website giving information regarding the meeting

2. Information regarding the meeting, including the information required by section 311A of the Companies Act 2006, can be found at <http://www.marloweplc.com>.

Appointment of proxies

3. If you are a shareholder who is entitled to attend and vote at the meeting, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting and you should have received a proxy form with this notice of meeting. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.

4. A proxy does not need to be a shareholder of the Company but must attend the meeting to represent you. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the chairman) and give your instructions directly to them.

5. Shareholders can:

- Appoint a proxy and give proxy instructions by returning the enclosed proxy form by post (see note 7).
- If a CREST member, register their proxy appointment by utilising the CREST electronic proxy appointment service (see note 8).

Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting and vote in person, your proxy appointment will automatically be terminated.

6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxy by post

7. The notes to the proxy form explain how to direct your proxy how to vote on each resolution or withhold their vote.

To appoint a proxy using the proxy form, the form must be:

- completed and signed;

- sent or delivered to Capita Asset Services at The Registry, 34 Beckenham Road, Kent BR3 4TU; and
- received by Capita Asset Services no later than 2pm, Monday 5th September 2016.

In the case of a shareholder which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

If you have not received a proxy form and believe that you should have one, or if you require additional proxy forms, please contact Capita Asset Services.

Appointment of proxies through CREST

8. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made using the CREST service to be valid, the appropriate CREST message (a **CREST Proxy Instruction**) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Capita Registrars Limited no later than 2pm on Monday, 5th September 2016, or, in the event of an adjournment of the meeting, 48 hours before the adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

9. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

10. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Capita Asset Services at The Registry, 34 Beckenham Road, Kent BR3 4TU.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

11. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Capita Asset Services at The Registry, 34 Beckenham Road, Kent BR3 4TU. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

In either case, the revocation notice must be received by Capita Asset Services no later than 2pm, Monday 5th September 2016.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person.

Corporate representatives

12. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued shares and total voting rights

13. As at 12pm on 24 June 2016, the Company's issued share capital comprised 21,372,877 ordinary shares of 50 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 12pm on 24 June 2016 is 21,372,877.

The website referred to in note 2 will include information on the number of shares and voting rights and biographical details of each director who is being proposed for re-appointment or re-election by shareholders.

Explanation of Resolutions

Resolution 9 – authority to allot shares

The directors consider it appropriate that an authority be granted to allot ordinary shares in the capital of the Company up to a maximum nominal amount of £3,562,146 representing approximately one third of the Company's issued ordinary share capital as at 24 June 2016 (the latest practicable date before publication of this document) during the shorter of the period up to the conclusion of the next annual general meeting in 2017 or 15 months.

As at the date of this notice the Company does not hold any ordinary shares in the capital of the Company in treasury.

Resolution 10 – disapplication of statutory pre-emption rights

Resolution 10 will empower the directors to allot ordinary shares in the capital of the Company for cash on a non-pre-emptive basis:

- in connection with a rights issue or other pro-rata offer to existing shareholders; and
- (otherwise than in connection with a rights issue or other pro-rata offer to existing shareholders) up to a maximum nominal value of £1,602,965.78, representing approximately 15 per cent of the issued ordinary share capital of the Company as at 24 June 2016 (the latest practicable date before publication of this document).

Resolution 11 – authority to make market purchases of own shares

Resolution 11 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Companies Act 2006. The authority limits the number of shares that could be purchased to a maximum of 2,137,287 (representing approximately 10 per cent. of the Company's issued ordinary share capital as at 24 June 2016 (the latest practicable date before publication of this document)), and sets minimum and maximum prices. This authority will expire at the conclusion of the next annual general meeting or, if earlier, 15 months after the resolution is passed.

The directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would be in the best interest of shareholders generally.

Companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. No dividends are paid on shares whilst held in treasury and no voting rights attach to treasury shares.
